Internet / Face book Permission Form

Dear Parents,

We would like to keep our website and face book up to date with pictures about our children and school (events/activities etc). To be able to do this, we will need permission from you to be able to post photos of your children and the activities they do in school.

For safety purposes, we will never use students' names anywhere in either schools website or social media sites because your child's/children's safety is very important to us.

Please note we will use very strict guidelines in what we post. The face book page is only a tool for a parent to be part of the school and the activities the children part take in.

Please complete the form and send back to school.

Sincerely yours

HERMIEN KRUGER
